## I-94 Quick Reference Guide for Local, State and Federal Agencies

In order to streamline passenger processing, U. S. Customs and Border Protection (CBP) is automating its arrival and departure process and eliminating the paper Form I-94 for air and sea travelers. Although air and sea travelers will no longer receive a paper Form I-94, except in limited circumstances, CBP will create an electronic record. Travelers will be able to obtain their admission number and electronic I-94 record through the website [www.cbp.gov/I-94](http://www.cbp.gov/I-94).

Different versions of Form I-94 will still be issued by Department of Homeland Security (DHS) agencies. This I-94 Quick Reference Guide shows versions of the I-94 that may be encountered in the field.
