CALL FOR PAPERS

New Economic Talent 2014

The <u>Center for Economic Research and Graduate Education - Economics Institute</u> (CERGE-EI) and the <u>Nadace CERGE-EI</u> foundation invite university students to submit papers to the New Economic Talent competition. The competition is open to Bachelor's and Master's students (full-time or part-time) in any field, who are interested in contemporary economic issues and wish to understand better the forces and processes that 'shape the world'.

The competition is international, has **two rounds**, and its working language is English. Applicants submit a complete paper and an extended abstract to the first round. Selected finalists present their papers at CERGE-EI, Prague, in the second round. The topic of the paper can be in any sub-field of Economics, broadly defined. Papers will be judged based on originality, substance, analytical nature, and clarity of writing.

Prize for the winner consists of \$1,000 USD, a trip to one of the next <u>Global Development Network</u> conferences to present the winning paper, and VIP tickets to CERGE-EI's special events, such as the <u>Distinguished Speaker Series</u> and the Graduation Gala.

Deadline for submissions is April 15, 2014.

Papers and extended abstracts should be sent to talent@cerge-ei.cz.

Further details (including detailed conditions) can be found at <u>www.cerge-ei.cz/talent</u>.
