***The largest fair of hi-tech products in China,  
provides you unlimited opportunities to develop the  
Chinese Market!***

**Hosts:** China Hi-Tech Fair Organizing Committee

**Organizer:** China Hi-Tech Transfer Center  
(Shenzhen Convention & Exhibition Center Management Co., Ltd.)

## Introduction of CHTF

Welcome to China Hi-Tech Fair (CHTF)!

Each year, CHTF is co-hosted in Shenzhen by Ministries and Commissions of China and Shenzhen Municipal People's Government. Up to now, 16 CHTFs have been successfully held in succession. For each CHTF, the total exhibition area exceeded 100,000 m<sup>2</sup>, nearly 3,000 exhibitors from more than 50 countries and over 500,000 visitors attended. Currently, it is the largest and the most influential scientific and technological fair in China and is renowned as "the No.1 Technology Show in China".

CHTF integrates transaction of achievements, exhibition of products, high-level forum, merchant attraction of projects and cooperation & exchange and focuses on the advanced technologies and products in such fields as energy conversation, environment protection, new generation of information technologies, biology, manufacture of high-end equipments, new energies, new materials and new energy vehicles etc. After years of development, CHTF has become an important window for the opening outside in China's high-tech sectors

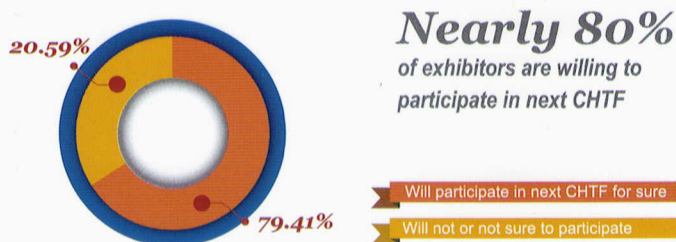

and has played a more important role in commercialization, industrialization and internationalization of high-tech achievements as well as promotion of economic and technological exchanges and cooperation between different countries and regions.

CHTF 2015 will be held in Shenzhen in November 2015 with such six sectors as "Commercialization of Technological Innovation", "Specialized Shows", "China Hi-Tech Forum", "super-SUPER Special Events", "Hi-Tech Human and Intellectual Resource Exchange" and "A Year-round Fair".

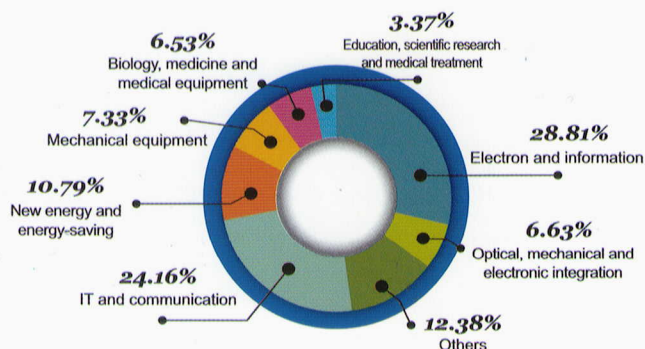

Friends all over the world are welcomed to visit CHTF 2015!

Industrial distribution of exhibitors

Most of the professional visitors are mid-level and senior managers of enterprises

Number of Participating Countries and Regions

## What can be done by CHTF for the participants?

### For the patent and technology holders

CHTF has attracted a large number of technology-desiring domestic and foreign enterprises, intermediaries and thousands of investors and will make you find the cooperative partners from all over the world.

### For the investors

On each CHTF more than 10,000 hi-tech projects will be exhibited, making you easier to find out up-to-date patents, technologies and projects as well as investment and cooperation opportunities.

### For the high-tech products and equipment manufacturers

On CHTF, there are a large number of procurement demands from the central and local governments and enterprises, providing a channel for your products to rapidly enter the Chinese market.

### For the purchasers

On CHTF, there are a large number of domestic and overseas high-tech products that is helpful to your one-station purchase.

### For the participants

On CHTF, there are various activities held by the authoritative agencies such as high-level release conferences, forum conferences and banquets etc. From CHTF, you can obtain various information and find out business opportunities.

## Appraisal of CHTF from the guests

- ◆ **Horst Stormer**, a scientist in Bell Laboratory of Lucent and a Nobel Prize Winner:

*My feeling is that, in regard of speed, no city in the US develops as fast as Shenzhen. This time, I participated in the speech of CHTF. From the viewpoint of a scientist, it is a good way to hold such high-tech fair.*

- ◆ **John Prescott**, a former deputy prime minister of the UK:

*It is not only the essence but also the future of China. As what I have seen, China's high and new technologies are developing rapidly.*

- ◆ **Christopher St. John**, senior vice president of US's MSC Software Company:

*Congratulations on the success of the unique CHTF, one of the biggest and most important fairs in this year.*

- ◆ **Agnes Rousseau**, director of Investment Division of Languedoc Montpellier, France:

*This CHTF is large in scale and has attracted many guests and businessmen. It is quite meaningful.*

- ◆ **John Gibbons**, an scientific and technological advisor to Clinton, the former US President and director of Office of Science and Technology Policy, the White House:

*This CHTF is a world-level grand fair and has played an important role in helping the realization of development targets of the mankind by application of high technologies.*

## Superiorities of CHTF (Why should you participate in the CHTF?)

- ◆ With a good brand image and being reputed as the No.1 Technology Show in China, CHTF is currently the biggest and most influential scientific and technological fair in China and has some influences on the world.
- ◆ With the powerful support from the Chinese government, CHTF is co-hosted by Ministries and Commissions of China and Shenzhen Municipal People's Government. Many Chinese state leaders had visited CHTF and former Premier Wen Jiabao had specially wrote inscriptions for the fair.
- ◆ CHTF has brought good benefits to numerous enterprises. More than 60 trans-national companies namely Microsoft, IBM, Sony, Qualcomm, Samsung, HP, Siemens, Toshiba, Oracle, LG, Hitachi and Panasonic etc. participated CHTF many times and a batch of excellent Chinese private enterprises such as Tencent and Coship had expand their market to the world through the fair.
- ◆ CHTF is the focus of domestic and foreign media. Each fair, over 1500 journalists of nearly 200 domestic and foreign media were attracted to report the fair, including plane media and network media from Hong Kong, US and Japan etc.
- ◆ CHTF avails itself of powerful marketing promotion. The organizer has drawn up specialized promotion plan, arranged release conferences, sent direct mail letters, and made full use of long-term cooperative relationship with the domestic and foreign media so that enterprises and customers around the world could have known about CHTF well.
- ◆ CHTF has attracted excellent professional visitors. For 16 years, it has been warmly greeted by domestic and overseas professionals. The totality of visitors each year has exceeded 500,000.
