Another great news from the Chamber to be announced is that CEEC website's beta version has been launched recently. It is already available at: www.ceecvn.org and you will be expected to receive another announcement when the Chamber's website is officially launched.

First and foremost, I would like to give my appreciation to CEEC Executive Committee Members and staff. These achievements would not have been possible without their valuable time and effort.

On behalf of CEEC's Executive Committee Members, I also would like to express my sincere thanks to all our dear members and friends for their interests toward the Chamber. Recently the 40th member has joined CEEC, which is not only a great token of trust and confidence but also a good progress within the first half year since establishment and tackling organizational challenges. And last but not least, I also would like to record my gratitude to all the support and trust from the diplomatic bodies, especially from the Ambassadors and Trade commissioners of CEE countries in Vietnam.

Consequently the CEEC Advisory Committee is currently being set up and will constitute on the 20th October to enable good communication and a close coordination between our members' interests and the official Member States representatives

Kind Regards,

CHAIRMAN
Marko Moric
