About the SE-CZ Defence Industry Day

The seminar aims to bring together innovative enterprises from the Czech Republic and Sweden seeking to collaborate on mutual commercial benefit. Activity will focus on short industry presentations and pre-scheduled one-to-one meetings.

Case studies on industrial co-operation; lessons from Czech Republic and Sweden

- Examples of previous partnerships in major procurements (IC/offset)
- Lessons learned
- Recommendations in regards to Czech/Swedish co-operation
- Max 15 min/company

One-To-One meetings: needs to be pre-scheduled

- Participants will be able to request individual business meetings with other participants.
- Lists of participants will be shared together with background info about the enterprises.
- Meeting requests must be confirmed by both sides in order to be scheduled.
- Shortly before the seminar a schedule for the One-to-One will be sent out.
- 15 min/company

The Swedish Defence Material Administration (FMV) will have a representative attending and available for questions during the seminar.
