Vljudno vabljeni na otvoritev razstave Artful Games Vladimírja Židlickega, v petek, 3. marca, ob 19. uri v Galerijo Photon. Razstavo bo odprla Njena ekselenca, veleposlanica Češke republike v Ljubljani, gospa Věra Zemanová.

You are kindly invited to the opening of Vladimír Židlický's exhibition Artful Games, on Friday, March 3, at 7 pm in Photon Gallery. The exhibition will be inaugurated by Her excellency, ambassador of Czech Republic in Ljubljana, Mrs. Věra Zemanová.

Izbor del Vladimírja Židlickega razstavljenih pod naslovom *Artful Games* pokriva zadnjih deset let avtorjevega ustvarjanja s poudarkom na njegovi samosvoji percepciji ženskega obraza in telesa. Židlický se je že na začetku poklicne poti osredotočal na telo kot osrednji motiv, vendar so v zadnjih letih ženske, telesa in njegovi deli dobili večji erotični naboj. Vsaka podoba se igra z domišljijo in čustvi posameznika, da bi poudarila njegovo minljivost.

The selection under the title *Artful Games* covers the last ten years of Židlický's work, concentrating on his very own perception of the female face and body. From the beginning of his career Židlický has concentrated on the body as the central motif of his work, but in recent years the women, the bodies and its parts are gaining more of an erotic tone. Each image is playing with one's imagination and emotion in order to emphasize its transience.

Razstava bo na ogled do 31. marca 2017.

The exhibition is open until 31 March 2017.
