IN THE CZECH REPUBLIC

## STUDY IN THE CZECH REPUBLIC

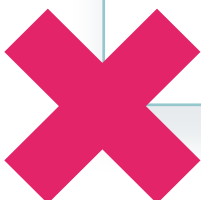

Students are being given incentives to study in the Czech Republic. Three Brno universities are offering Computer Graphic Design, Economic Informatics, Engineering Mechanics and Biomechanics, as well as other study programs in English (the complete list is given below). Courses consist of follow-up master's study programs. Students with a bachelor's degree are eligible for a scholarship covering 50 % of tuition fees – up to an amount of EUR 1,500. Faculties are offering study programs for the winter and summer term in the academic year 2018/2019. To enrol in the upcoming term, i.e. from September 2018, it is necessary to submit the application [online before 10<sup>th</sup> August 2018](#).

Students interested in studying in the Czech Republic can also use a consultancy service free of charge. Brno coordinators will help them with the enrolment procedure, and their initial adaption and arrival in the country. Visas must be applied for sufficiently in advance. Universities are offering 25 such scholarships.

## THE PROCEDURE FOR GAINING A SCHOLARSHIP IS AS FOLLOWS:

- **From 9th July till 10th August 2018**  
– submit your application to the university;
- **From 9th July till 10th August 2018**  
– submit your online application for a scholarship at the South Moravian Centre for International Mobility;
- **Come for interview or take a university entrance exam;** if previous study results are submitted, the interview/entrance exam may be waived;
- **By 15th August 2018,** those students who will receive scholarships to study in the upcoming winter term will be finally selected. In order to receive scholarship, it is necessary to be accepted onto the chosen study program.
