

# Petra livestock expo.

18-16 April 2019

Amman International Motor Show- Amman- Jordan

## General Information of Petra Livestock Exhibition

PLE is an international exhibition specialized in the livestock sector carried out by the Association of Agricultural Engineers and the Arab Society for Animal Science in the Union of Arab Agricultural Engineers. The aim of the exhibition is to present the latest technologies of production in the livestock sector by presenting production workshops, equipment and products in one place. This exhibition is expected to be one of the most important events in the reconstruction of Iraq and Syria, where the Hashemite Kingdom of Jordan has a safe environment in the Middle East.
