Ana Perestrelo

Technology Scout and Postdoctoral Researcher

E-mail: ana.rubina.perestrelo@fnusa.cz

Katerina Doleckova

Business Development Manager

E-mail: katerina.doleckova@generi-biotech.com

We are a GLP and GMP certified EU-located company providing testing specialized in molecular genetic based methods (NAT – nucleic acid tests). Our typical partners are general CROs outsourcing their DNA/RNA-based tests elsewhere. For (pre)clinical trials, we offer tailored analytical methods according to CROs' demands. We also provide QC for batch release for pharma products as well (GMP testing).

GENERI BIOTECH s.r.o.
