A world map is centered on the page, rendered in a light teal color. Several white medical crosses are scattered across the map, with a larger one in the center. The background is a gradient of teal and blue, with a grid pattern and a subtle circular ripple effect.

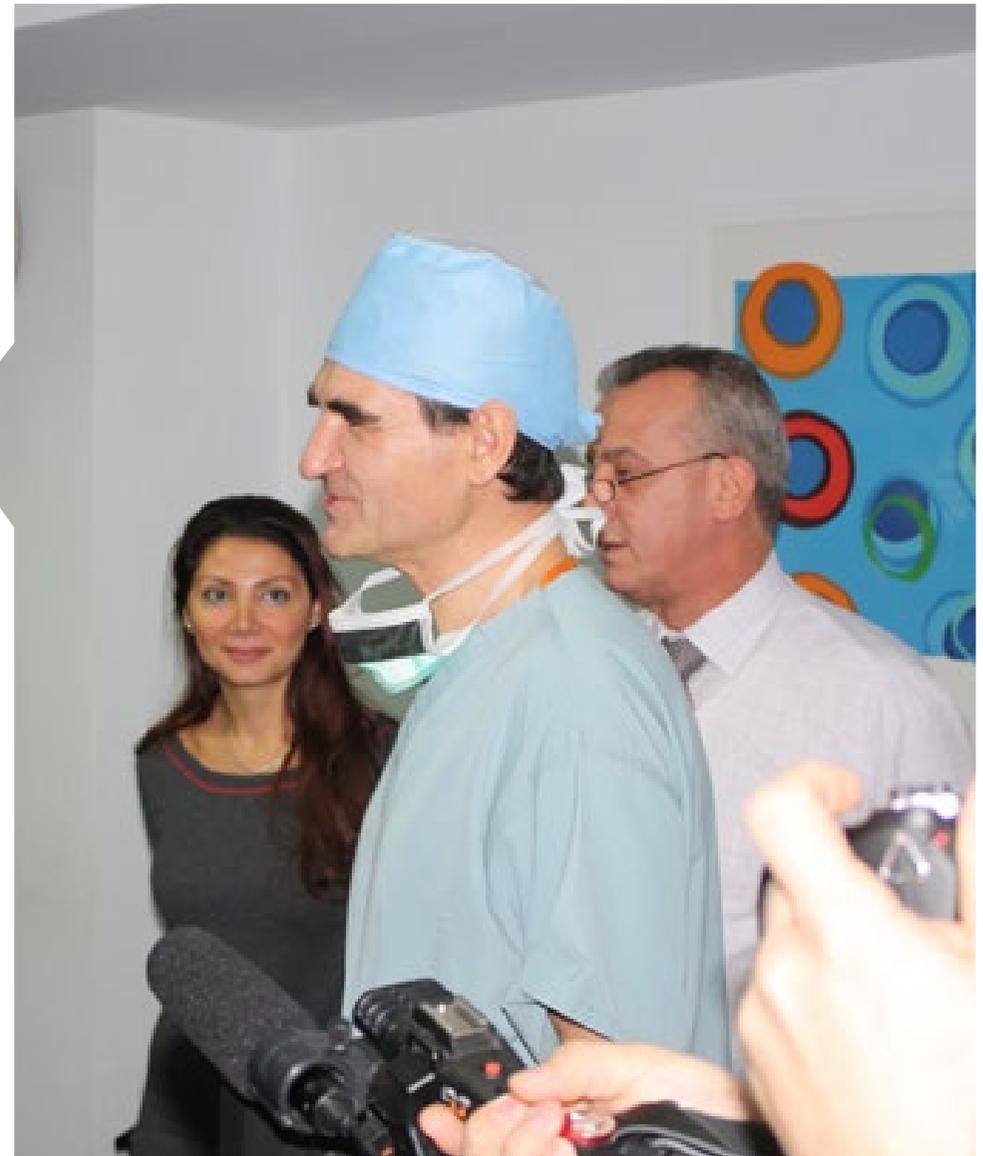

CZECH MEDICAL HUMANITARIAN PROGRAMME MEDEVAC

A small portion of the Czech Republic flag, showing the red, white, and blue colors, is visible in the bottom-left corner.

CZECH HEALTHCARE SOLUTIONS

MECEVAC czech

- A govern-run medical humanitarian programme of the Czech Republic.
- Focused on the provision of medical care to vulnerable groups of inhabitants in the regions stricken by humanitarian crises or natural disasters.
- Treatment is provided free of charge and exclusively to civilians.

MEDEVAC czech

The MEDEVAC Programme is implemented through the following activities:

- Humanitarian evacuations of persons with health issues to the Czech Republic for treatment
- Deployment of Czech teams of doctors abroad
- Specialised internships of physicians from the areas hit by humanitarian crises in the Czech Republic
