

RAIL INDIA FORUM & EXPO 2021

Future of Rail Transport

3RD EDITION OF SMART
RAILWAY CONCLAVE

28th – 29th January 2021 (Virtual)

SHRI PIYUSH GOYAL

Hon'ble Minister of Railways,
Minister of Commerce & Industry &
Minister of Consumer Affairs, Food &
Public Distribution, Government of India

ABOUT THE EVENT

The Indian Railways is in a dynamic phase of growth with new developments offering world-class services in both freight and passenger transportation. The integrated approach involving modernization & expansion of railways infrastructure, growing public-private partnership, introduction of cutting-edge technology, station redevelopment, exploring multiple financing options, track addition, signalling and electrification, building logistics parks, dedicated freight corridors will foster strong and sustainable growth. RAIL INDIA FORUM & EXPO 2021 will bring together government & private sector across the railway value chain to explore, learn from global best practices, interact with potential business partners and enter into a constructive dialogue regarding various concerns and opportunities associated with Indian Railways.
