OVERVIEW

The Asian Oil, Gas & Petrochemical Engineering Exhibition, Oil & Gas Asia (OGA) has now merged with Malaysian Oil & Gas Services Exhibition and Conference (MOGSEC) to take place as one trade show from 13 to 15 September 2022 at Kuala Lumpur Convention Centre.

The merged event, OGA incorporating MOGSEC, is a culmination of its best highlights, reinvigorated with new ideas and features to match the current industry agenda. New elements introduced will put a key focus on highlighting the acceleration of competitiveness within OGSE companies while also reinforcing Malaysia as the Region's Oil, Gas & Energy Hub.

Whether joining us in-person or virtually, OGA x MOGSEC is the right platform for you to engage with industry professionals and peers in multiple networking bubbles, the conference agenda and also meet within the exhibition hall featuring over 1,000 oil, gas, and energy companies from across the globe.

ONSITE ACTIVITIES

OGA INNOVATION AWARDS

The OIA (OGA Innovation Awards) 2022 which will be co-organised by Malaysian Oil & Gas Services Council (MOGSC) is held to recognise and honour companies and individuals at the forefront of innovation. OGA 2022 will serve as a regional platform to spotlight these companies; promoting innovation and ingenuity within the Oil & Gas Service Providers, related industries and academia.

MATRADE INTERNATIONAL SOURCING PROGRAMME (INSP)

Working together with MATRADE again, OGA 2022 will be arranging the International Sourcing Programme (INSP). MATRADE will be inviting and managing international buyers from around the world to have one-to-one business meetings with the OGA 2022 exhibiting companies.

INDUSTRY TALKS

Professionals and major players of the Oil & Gas industry will be invited to conduct talks / seminars relating to the challenges, current trends, and situation faced by the industry.

Our collaborative partners include:

- Malaysia External Trade Development Corporation (MATRADE)
- Malaysian Investment Development Authority (MIDA)
- Malaysian Oil & Gas Services Council (MOGSC)
- Malaysia Petroleum Resources Corporation (MPRC)

TECHNICAL TALKS

Special talk sessions will be arranged for visitors of OGA, working together with the Exhibitors. These talks will be focused on the current and future developments of the industry which includes latest advancement of their own research and technologies.

BUSINESS MATCHING PROGRAMME (B2B)

The AI-powered networking platform presented through the OGA 2022 Virtual Platform and Mobile Application for exhibitors and trade visitors to have individual meetings during the exhibition days. This easy to use app facilitates business meetings and prepares exhibitors and visitors before the exhibition.

EXHIBITORS' INDUSTRY NETWORKING NIGHT

Usually held on the first day of the show, this networking night offers exhibitors and hosted buyers a relaxing environment to meet and mingle with their peers in the industry.

EXHIBITORS' TESTIMONIES

We've been participating in OGA since 2007 it has been getting better and better and more customers know about us. It has developed to where we are now today. OGA has been bringing us more good news than bad.

Mr. Kesavan Vadivelu
Director,
Business Star Kriss Services Sdn Bhd

Keep on being the best Oil & Gas focused event. I think OGA should continue to be the best in the region and should hold on to its position.

Mr. Fuzz Sufian
Group Managing Director
Essem Group

OGA is the biggest show for oil & gas industry in Malaysia and it would be a great platform for brand exposure to relevant oil & gas participants.

Mr. Calvin Lim Tow Wee
