5. Description of Problem, Suggested Intervention and List of Items

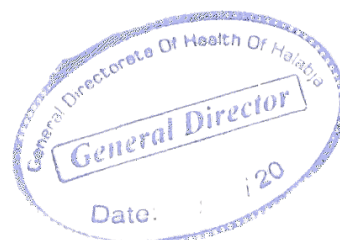

Brief description of the current situation which is to be targeted by the earmarked donation, and list of required items covered by the donation.

Halabja is a city in Kurdistan Region and the capital of Halabja Governorate, located in Iraq about 240 km northeast of Baghdad and 14 km from the Iranian border. Halabja was considered as one of the KRG governorates after the end of Baath Regime in Iraq in 1991, During Baath Regime, the people of Halabja were prohibited to travel in and out of Halabja. The Baath regime's chemical attack on Halabja in 1988 resulted in 5,000 Martyrs and 15,000 injuries, 400 of the injured civilians are considered to have crucial diseases. Due to the recent economic crisis of the Kurdistan region and the war with ISIS had major influence in recognising Halabja as an independent governorate, this implies that delaying in receiving its annual budget, which resulted in a devastated economic conditions. Halabja was established in 2014 as 4 th governorate in KRG, as a new Governorate, Halabja requires support in all aspects and especially in Health Care sector.

Halabja Governorate has only one hospital for survivors of chemical weapons located the centre of the city serves of population.
