MAP OF THE EXHIBITION

- MORAM**
1. MORAM CZ s.r.o.
 Smart City intergator
- RSE**
2. RSE s.r.o.
 Biomass boiler, industrial boilers, biogas plants
- AEN BATTERIES**
3. AEN Battery s.r.o.
 Technological system which will ensure partial or full energy independence
- PEARL ENERGIES**
4. Pearl Energies Kft.
 Solar panels, smart pedestrian crossing
- EMBASSY OF UKRAINE IN HUNGARY**
5. Embassy of Ukraine in Hungary, NAZOVNI Business Globalisation Service
- MEETING OF CZECH AND HUNGARIAN TWIN CITIES**
6. Meeting of Czech and Hungarian Twin Cities
- NRG**
7. NRG Car Kft.
 Electric municipal machines, vans for city operations with lots of superstructure options!

- ETS**
8. ETS Hungary
 Elevion Group BV is one of Europe's leading energy service providers for all tasks related to the intelligent use of energy that focus on sustainability and climate neutrality
- SOLAR ECO SYSTEMS**
9. Solar Eco Systems S.R.L.
 Cellcube - Building Energy Storage Infrastructure
- ELEMENTS FOR SMART CITY**
10. Elements For Smart City Export Alliance
 EV Expert, HF Servis, AG Data, Data From Sky, RCD Radiokomunikace, Cyklohub
- RCD RADIOKOMUNIKACE**
10. RCD Radiokomunikace
 Professional radiocommunication
- AGDATA CITY**
10. AG Data
 Smart solution for your smart city
- DATA FROM SKY**
10. Data From Sky
 Advanced traffic monitoring systems

- IMPAGUARD**
10. HF Servis
 Non-slip coatings, anti-graffiti paint and more nanotechnology solutions in the building industry.
- EVEXPERT**
10. EV Expert
 Charging cables, portable chargers and charging stations for electric cars
- LEDEOS**
11. LEDEOS
 Energy efficient charging station and information systems
- ek**
12. Elektro-Kamleithner Kft.
 Energy efficiency in public buildings, sustainable solutions
- VISIONCRAFT**
13. Vision Craft s.r.o.
 Gathering automated real-time data about road quality and traffic analysis using mobile edge sensors

- mmcité**
14. mmcité s.r.o.
 Design, development and implementation of innovative street furniture projects around the world
- ASIO**
15. ASIO New s.r.o.
 Green solutions for Cities & Towns, SmartTree, Ecological surface reinforcement, wastewater treatment
- ORBITREX**
16. Consultation point of the speakers
- ORBITREX-SDM Kft.**
17. Orbitrex-SDM Kft.
 Design and construction of modern, timeless cycle tracks
- BELVÁROS-LIPÓTVÁROS ÖNKORMÁNYZATA, BUDAPEST; V.30 BELVÁROSI SPORTKÖZPONT**
18. Belváros-Lipótváros Önkormányzata, Budapest; V.30 Belvárosi Sportközpont
 Belváros, District V - „City of the Future”: innovation, sustainability, green improvements in public spaces and institutions. V.30 Downtown Sports Centre: a repository of smart solutions.

- Bravocharge**
19. Bravocharge
 Distribution and installation of electric car chargers, bicycle and roller stations for office and home environments
- BRNO**
20. Brno City Municipality & Brno Regional Chamber of Commerce
- citysense**
21. Iterait a.s.
 Empowering parking and infrastructure management
- DEBRECEN**
22. Debrecen
 Future of Debrecen
- KUUBE**
23. Kuube Hungary Kft.
 Kuube smart city furnitures
- mikroelektronika**
24. Mikroelektronika a.s.
 European producer of ticketing systems for public transport
- MUNIPOLIS**
25. Munipolis s.r.o.
 Official information from the authorities directly to citizens
- CLEVER FARM**
26. CleverFarm, a.s.
 Clever Irrigation systems for urban green areas and sports fields
- Eng.Co.Cz**
27. Eng.Co.Cz
 Plant Engineering & Small Capital Projects, Project & Construction Management
- CzechΣath**
28. CzechMath, a.s.
 Optimization, forecasting and simulations
- THERMOWATT**
29. Thermowatt Kft.
 Net Zero with Recovered Sewage Heat

- ÓBUDA EGYETEM**
30. Óbuda University, Zsámbék Technological Park
- BKIK**
31. BKIK – Budapest Chamber of Commerce and Industry
- ui! hu**
32. Urban Institute
 Your partner in developing sustainable energy and transport systems
- CED**
33. CED
 CED is the institution of the Hungarian Government responsible for export promotion in Central Europe
- CASSOVIA NEW INDUSTRY CLUSTER**
34. Cassovia Smart City Cluster
 University-Municipality-Business Cooperation in Eastern Slovakia
- Delta**
35. Delta Systems
 Smart City: One of the leading Hungarian developers, integrator
- Magyar Közzolgálatok Egyesülete**
36. Magyar Közzolgálatok Egyesülete
 Representing the common interests of the economic organisations involved in the management of municipalities
- MUT**
36. M-U-T- Hungária Kft.
 Manufacture and installation of professional municipal vehicles, waste sorting and composting technologies
- SERES**
36. Seres Gépipari Kft.
 Municipal motor vehicle bodywork, hydraulics, machine service
- AGROLÁNC**
36. Agrolánc Kft.
 Clean cities powered by electric machines
