About ECCKSA

The European Chamber of Commerce in the Kingdom of Saudi Arabia (ECCKSA) is the pivotal bilateral chamber advocating for European business interests in Saudi Arabia. With strong government ties, ECCKSA provides a dynamic business network and facilitates key meetings and seminars with top-tier speakers from Saudi Arabia, the GCC, and Europe. It collaborates with leading Saudi and European trade associations and the EU Delegation in Saudi Arabia. ECCKSA offers essential services to support European business in Saudi Arabia, including connecting with potential clients, suppliers, and partners, and offering market intelligence and research.

As the preferred Chamber of Choice for European Business representation, ECCKSA is committed to representing and advancing the European business community in the Kingdom of Saudi Arabia.

Our Objectives

- 1 To establish a unified European voice to unlock bilateral business opportunities with the aim of assisting the Kingdom of Saudi Arabia in accomplishing its visions at all levels of government and local enterprises.
- 2 To promote the establishment of positive relationships and trust by actively engaging in dialogue and interaction with officials and administrators from various levels of the government, institutions, and local business organisations in KSA, as an apolitical business support organisation
- 3 To establish and maintain strong links with relevant European institutions, Member States and appropriate counterparts, including the EU Delegation in the Kingdom of Saudi Arabia, European Trade offices, the European Commission and the European Parliament in Brussels.
- 4 To foster fair and open competition, free trade, high ethical standards in corporate governance practises, and openness to international business standards while respecting the Kingdom of Saudi Arabia's cultural values.
- 5 To encourage members to share best practices in line with European and Saudi Arabian sustainability goals and promote corporate social responsibility and ethical business practices.
- 6 To advance industry concerns through the coordination and publication of position papers and dialogue.
- 7 To contribute to economic growth through enhanced trade and investment flows between Europe and the Kingdom of Saudi Arabia by fostering long-term business cooperation.
- 8 To encourage innovation, knowledge, and technology transfer between European companies and local partners.
- 9 To create a central business knowledge hub, market intelligence, and networking opportunities to help members enter and thrive in the Saudi Arabian market.

Welcome to the first European Chamber in the GCC region. As the independent voice of European Business in the Kingdom, we are committed to fostering an environment conducive to creating long-term value for European-Saudi Business. Our interest is to work closely with the Government of Saudi Arabia, the European Union, and Member States to encourage more trade and investment within the market. We are committed to complementing your agenda with the view of easing business, as well as building long-lasting bridges of cooperation.

European Companies in the Kingdom are cordially invited to join this groundbreaking initiative. To connect with other firms that share our values, help improve the business environment, interact with the government, and establish a thriving EU-Saudi Business Community. Be amongst the first to gain from this valuable initiative that has contributed to developing European Business in 51 critical markets globally.

We anticipate the Chamber to actively contribute to advancing vital topics closely connected to Saudi's Vision, such as Economic Diversification, Green Transition and Sustainable Energy, Mobility and Transport, Lifestyle and Tourism, and Human Development, amongst many other critical sectors, through dialogue and contribute to the enhancement of the Saudi-European business climate.

Our Services

Business Advocacy and Representation: ECCKSA provides comprehensive advocacy and representation services tailored to the needs of European businesses operating in the Kingdom of Saudi Arabia. Our dedicated team engages with governmental entities, regulatory bodies, and other stakeholders to address key policy issues and promote a favourable business environment. Through strategic dialogue and advocacy efforts, we aim to shape policies that support the growth and success of European businesses in KSA.

Sectoral Committees: Our Sectoral Committees serve as specialised platforms for European, international, and local businesses to collaborate, share insights, and address common challenges within specific industries. These committees facilitate networking opportunities, knowledge exchange, and collaborative problem-solving, empowering businesses to navigate industry-specific complexities and seize growth opportunities in the Saudi market.

Events & Networking: ECCKSA organises a diverse range of events, including conferences, seminars, workshops, and networking sessions, designed to foster meaningful connections and facilitate knowledge exchange among our members and stakeholders. These events provide valuable opportunities for businesses to expand their networks, gain industry insights, and explore potential partnerships, ultimately contributing to their success in KSA and beyond.

Publications: Our Publications and Position Papers serve as crucial tools for disseminating information, offering a European perspective within the local market. They amplify Europe-wide business presence and foster increased cooperation. Our publications provide insights into EU trends impacting Europe-KSA business interests, offer strategies to elevate corporate profiles, boost visibility among key stakeholders, and enhance online presence.

Market Intelligence and Business Support: ECCKSA offers market intelligence and tailored business support to help European companies navigate the Saudi market effectively. Our team provides valuable insights, market analysis, and sector-specific information to assist businesses in making informed decisions and identifying growth opportunities.

Joining ECCKSA

Welcome to the European Chamber of Commerce in the Kingdom of Saudi Arabia (ECCKSA). Our membership is inclusive and diverse, catering to European companies, citizens, as well as international and Saudi entities and individuals. Within our organization, we offer various membership categories tailored to meet different requirements and preferences.

ECCKSA offers two main types of memberships: Regular and Associate, each with its own sub-categories.

Regular Membership:

Membership for European companies or individuals working for European companies in Saudi Arabia, including subsidiaries and branches, where a corporate body, firm, institution, or individual of European nationality holds a majority share or has effective management control. Regular members enjoy full voting rights at the Annual General Meetings (AGM) and can be elected as directors or supervisors.

Associate Membership:

Open to those who support our mission but do not qualify for regular membership. Associate members enjoy similar privileges as regular members, except for voting rights at AGMs and eligibility for director or supervisor roles.

**Join us in shaping the future of European
business in Saudi Arabia!**
