

INDUSTRY DAY

PPP project of railway connection Prague – Václav Havel Airport Prague

EBRD and Správa železnic cordially invite you to an Industry Day for the PPP Project of the railway connection between Prague and Václav Havel Airport Prague held under the auspices of the Minister of Transport Martin Kupka.

The Contracting Authority and his advisors will introduce the basic parameters of the Project and the expected course of the tender procedure. The Industry Day will be held in English.

Time and Place

September 5, 2024
2pm – 5pm CET

Fantův sál

Prague Main Railway Station,
Wilsonova 300/8, 110 00 Prague 1
Czech Republic

Contact for media:

Registration for participation

**Via online
registration form:**

[Register](#)

Or via email: ppp@spravazeleznic.cz

In the email, please include your name, position, company name, email address and whether you prefer to participate in person or online.

Participation is free of charge.

Registration deadline: August 12, 2024.

You will obtain a confirmation of your participation no later than August 16, 2024.

You can participate in the Industry Day online as well (passive participation). You would receive the link after registration. There will be also a video recording available after the conference.

There will be space for questions for the present participants.

Due to the limited capacity, the Contracting Authority reserves the right not to confirm the registration of personal participation (e.g. when registering more than 3 people from one company). All interested parties will be informed.
