GRANT DETECTION

PARTNERS

Radka Konderlová
Director General of the Industrial
Cooperation Division

Our national pavilion at the LAAD Defence & Security Trade Show will showcase broad defence and security capabilities of the Czech industry, featuring companies as final manufacturers and key suppliers of components, technologies, and services. Exhibitors under the Czech national pavilion bring cutting-edge technologies and solutions across various domains, including aerospace, CBRN protection, electronic equipment, and ammunition. With 90 % of production being exported, Czech defence industry is globally recognized for its excellence, competitiveness, and commitment to international partnerships. The Czech Ministry of Defence proudly supports these companies and their expertise on the global stage.

PAVILION OF THE CZECH REPUBLIC

SUPPORTED BY

MINISTRY OF DEFENCE OF THE CZECH REPUBLIC

Pavla Havlíková
Ambassador
of the Czech Republic

The Czech Republic, as a country with a strong defence and aviation industry, cannot be absent from the LAAD Defence & Security 2025. The largest national participation, supported by Director General of Ministry of Defence and Czech Air Force Commander demonstrates the strength of Czech-Brazilian relations within the defence and aerospace industry and contributes to the good name of Czech manufacturers on the global stage.

PAVILION OF THE CZECH REPUBLIC

ORGANIZED BY

Embassy of the Czech Republic
in Brasília

Jiří Hynek

President at Defence and Security
Industry Association

The official participation of the Czech Republic at LAAD 2025 highlights our cutting-edge expertise in the defense and security sector and reaffirms our role as a forerunner in technological advancement. This exhibition also showcases the exemplary cooperation between government institutions, demonstrating a unified approach to strengthening the industry. The AOBP and our members are dedicated to progress, building strategic partnerships, and developing high-value technological solutions.
