

Detailed information about the Summer Schools of Slavonic Studies (SSSS) is available on the website of the Ministry of Education, Youth and Sports (MEYS) of the Czech Republic.

1. Announcement of scholarship offer

Kindly inform the local academic communities, especially the departments of Czech and Slavonic/Slavic studies, about the SSSS, and publish information about the scholarship offer on your website so that it reaches as many strong candidates as possible. Please set the deadline by which candidates should submit their applications to your office.

2. Selection of scholarship recipients and substitutes

Candidates fill in the application form and send it together with their CVs to the embassy or another institution conducting the selection procedure before the deadline. The selection of scholarship recipients is **entirely** within the terms of reference of the embassy or the partner institution concerned. The MEYS respects their nomination, and no further selection procedure takes place. Please inform **all** applicants after the selection procedure, whether they have been successful or not, and to which summer school they have been assigned.

3. Nomination of scholarship recipients and substitutes

Before presenting the nomination to the MEYS, please check carefully that the candidates are at least 18 years old and that they are assigned to a school featuring on the list of slots offered to the partner country concerned. The schools and the number of scholarship slots are specified in the cover letter. Applicants who were not selected for scholarship positions may be nominated as substitutes.

4. Submitting nominations to the MEYS

Please send the list of nominated candidates and substitutes, in the following format, to the MEYS, Department of International Relations and the European Union, or to Magdalena.VillatoroSladkova@msmt.gov.cz, by **March 31, 2026**:

SSSS Location	Name	Surname	Date of birth	Email address

5. Online registration

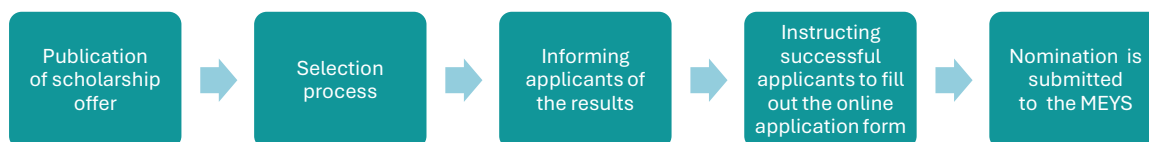

The embassy or another partner institution will instruct **the selected scholarship recipients and substitutes** to register online at <https://studujnavs.gov.cz/aktivita/108>. Registration for the SSSS will be open from **March 15 to April 15, 2026**. We recommend that the nominated scholarship recipients and substitutes fill out the online application as soon as possible.

6. Submitting nominations to the MEYS

The MEYS will check the applications in the system, approve them based on the nominations received, and forward them to the relevant summer schools, which will then contact the scholarship recipients and substitutes.
