Invitation for The VI. International Moravian Conference

The Main Theme of the Conference:

Moravian Brethren in Polar Lands

Matthäus Stach - Greenland missionary

275th anniversary of mission in Caribic

275th anniversary of Czech Rixdorf

400th birth anniversary of Martin Schneider

**We will mention also other
26 anniversaries
of the Moravian Brethren**

Dear friends,

The VI. International Moravian Conference will take place in Suchdol n. Odrou, 19 – 21 October 2012. The conference will aim to review and present new historical facts about Moravians in a set of lectures and paper presentations. Moravians were emigrants who left northern Moravia - their fatherland - in the beginning of the 18th century. They renewed the Moravian Church (Unitas Fratrum) and influenced the international mission.

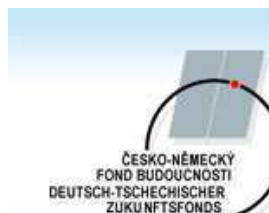

Moravian The National History Association in Suchdol n. Odrou prepares an interesting program for the days of the conference.

Partners of the conference:

Moravian The National History Association

The township Suchdol n Odrou
Cultural Club of the township Suchdol n.O.
Municipality Mankovice
National provincial archive in Nový Jičín
Museum of Novojičínsko
Johannes-Mathesius-Gesellschaft

**Czech-German fund of the future - financial cooperation
Josef Christ is our foreign partner of this project**

Suchdol n. Odrou belongs to the Moravian Silesian district. It has a railway station on the route from Přerov – to Ostrava. Suchdol n. Odrou is situated in a triangle of three towns - Nový Jičín, Odry and Fulnek. The conference will take place in the Cultural Club building near sport stadium and two museums (about 10 minutes from the station).
