

INVITATION

DALO INDUSTRY DAYS

23TH - 24TH AUGUST 2023

DANISH MINISTRY OF DEFENCE
ACQUISITION AND LOGISTICS ORGANISATION

The Danish Ministry of Defense Acquisition and Logistics Organisation (DALO) hereby has the pleasure of inviting you to:

DALO Industry Days on 23th - 24th of August at Ballerup Super Arena

For the eleventh time DALO is hosting the Industry Days. Once again, it will be bigger than ever.

The Industry Days is the largest exhibition in Denmark of equipment primarily from the defence industry. This year we focus on international participation from strategic partners in Europe and overseas.

We expect more than 400 Danish and foreign exhibitors from the defence industry to participate and over 4000 participants. DALO Industry Days is a unique opportunity for dialogue between the defence industry, technical caseworkers and commanders from DALO, representatives from the Danish Defence and public authorities. On the 23th attendance from the Danish Defence will primarily be comprised of DALO employees. On the 24th attendance will primarily consist of representatives on all levels from the Danish Defence Command and of Danish Defence attachés. Moreover, both days offer a unique opportunity to meet government representatives from many European countries and their defence and procurement agencies.

The event is also a unique opportunity to network with other Danish and foreign companies with an interest in or affiliation with international defence agencies.

This year the Industry Days are held in continuation of the framework of the National Defence Industrial Strategy of the Danish Government and the current situation in Europe.

The DALO Industry Days is an important element in strengthening the dialogue between the defence and the industry for the benefit of all parties involved.

This year the DALO Industry Days offer the possibility of both indoor and outdoor demonstrations by our exhibitors. If you want to conduct demonstrations please sign up for demonstration at the registration site.

Deadline for registration for Industry Days:
Exhibitors: 1st of July 2023
Other participants: 11th of August 2023.

Ultimo April the registration site will open – please follow the link on www.fmi.dk to sign up for the event.

Practical information

All information regarding the Industry Days including program, exhibition stands, participation, live demonstrations etc., will be posted on our dedicated website.

It will be possible for participants to set up your exhibitions on August 22nd from 15:00 to 20:00 and on the 23th from 06:00-10:00.
