

ABF, a.s. Trade Fair Administration, Prague, Czech Republic

ABF, a.s. has belonged among leading organisers of exhibitions and Trade Fairs in the Czech Republic already since the beginning of the 1990s. Through its Trade Fairs it offers excellent opportunities for the presentation of state-of-the-art products, technologies and services. Our Trade Fairs have become a place for regular meeting of top experts, businesspersons, public administration representatives as well as the general public.

Sectors presented at our Trade Fairs: building industry, mechanical engineering, electrotechnics, household equipment, garden design, lifestyle, swimming pools and wellness facilities, automobiles, leisure activities (travelling, cycling), Trade Fairs for entire families (children, seniors, toys for big boys) and others.

Why to take part in the Trade Fairs at Exhibition Centre Letňany, Prague, Czech Republic

- Possibility of direct presentation of products and services
- The Exhibition Centre includes also VIP premises for business negotiations and rest zones for exhibitors and visitors
- Great traffic accessibility - by public transportation (Metro Station) and car
- High visitor attendance
- Large-capacity parking area of 3 000 parking sites in a close vicinity to the Exhibition halls
- Extensive media campaign in the Czech Republic
- Favourable prices for the lease of the Exhibition area
- Cooperation with specialised media
- Targeted invitation of business partners
- Interesting accompanying programme - conferences, seminars, workshops
- Attractive location of city of Prague within the Czech Republic – business crossings in the central Europe
