

Future Forces

EXHIBITION & FORUM

www.natoexhibition.org

16-18 OCTOBER 2024
PRAGUE, CZECH REPUBLIC

Prague has been a hub for international defence and security community networking within the Future Forces events for over 22 years, providing platform for B2B, B2G and G2G meetings.

The unique concept of the exhibition, expert panels, annual NATO working groups sessions and other networking events within the FUTURE FORCES FORUM project gives all the exhibitors great opportunity to present latest technologies and solutions, discuss core tasks and principal objectives, as well as business opportunities within national and global security.

Organized within

With official support and patronage of
