The Ambassador of the Czech Republic invites you to

Czech Medical Devices Day

25 October 2018 | Embassy of the Czech Republic

2–5 pm | 26–30 Kensington Palace Gardens, London W84QY

Join our event where top Czech producers of medical devices and equipment are looking for collaboration with British partners.

Explore new business opportunities and enjoy fine Czech cuisine and beer.

The event will take place in conjunction with the Czech Heart Day Conference, with leading British and Czech cardiologists participating, and is part of 'Czech Week' (22-28 October 2018), organised to celebrate the 100th anniversary of the founding of Czechoslovakia.
