About Us:

International Consumer Product Fair has been held since 2012. This exhibition is one of the largest, most influential and most productive commodities & consumer fair in Pakistan. The expo possesses distinctive professional features and includes 6,000 m² exhibition area and 40,000 visitors. It is the biggest and strongest comprehensive exhibition in Pakistan central and western regions. While featuring its international orientation and wide national representation, the expo has also attracted numerous businessmen both home and abroad by the tremendous business opportunities in Karachi.

Why Exhibit?

- To deliver a valuable and conducive opportunity to showcase goods, network, establish and strengthen regional and international business linkages.
- To provide an opportunity to introduce your products and services to markets that would otherwise be unable to know of them.
- To allocate a platform for vendors to increase branding recognition in industry and consumer markets.
- To offer a place to learn more about the market situation.

Incorporating Exhibitions:
