Waybills for permanent **export** of firearms and/or ammunition authorize the holder to acquire and possess Category A, B and C firearms and their ammunition for the purpose of permanent export from the Czech Republic. The holder must permanently export such firearms and ammunition no later than 5 days after acquiring them.

Waybills for permanent **import** of firearms and/or ammunition authorize the holder to possess Category A, B and C firearms and their ammunition for the purpose of permanent import into the Czech Republic. The holder must notify the import to the competent police department and present the imported firearms and/or ammunition to the police for inspection no later than 10 days after crossing the border of the Czech Republic.

Při překračování vnější státní hranice České republiky oznamte vývoz, dovoz nebo tranzit zbraně kategorie A, B, nebo C nebo střeliva do těchto zbraní a předložte tento doklad Policii České republiky.

Please declare any Category A, B or C firearms and/or their ammunition and present this waybill to the Czech Republic Police when crossing the border of the Czech Republic.
